

Canon PIXMA MP140 Photo Inkjet All-In-One Printer, Print/Copy/Scan

Compact and Stylish All-In-One Photo Printer.

Ready to get more done, right at home? This Photo All-In-One gives you the Print-Copy-Scan performance you've been looking for. Its patented print head technology lets you create beautiful, long-lasting photos, from credit-card size up to 8.5" x 11". Your copies will now be truer to your originals' images and text. And, the unique Z-Lid expansion top lifts approximately 1-inch vertically and lets you produce clear, complete scans-even of thick originals like personal notebooks.
